

## EI /l/ and Ar /r/ GATs and SATs

Study your GAT and SAT lists. Write out at least eight words that contain **only** /l/, **only** /r/, and /l/ **and** /r/. Separate /l/ clusters (*pl, bl, fl, cl, gl, sl*) into one category and /r/ clusters (*pr, br, fr, thr, tr, dr, cr, gr*) into another category. If you do not find eight words for each category in your lists, go to your Focus Text or other sources to complete your count of eight.
