

## Preparing for Office Visit #2

Please review this handout and prepare accordingly for your 20-minute office visit next week.

### Area Targets (Areas for Special Work)

During this office visit, I will ask you to read the target area practice materials that have been covered in class so far. The AT materials covered include 1 (-ed), 2 (-s), 6 (VsV), 21 (/ɑ/-/ɔ/), 23 (linking), and 26 (sC-clusters). Prior to our meeting, practice any of these AT materials that are part of your Areas for Special Work.

### Quiz Review

We will briefly go over Quiz 2.

### GAT/SAT Words

Please identify and practice the GAT/SAT words that contain your Area Targets covered so far (1, 2, 5, 6, 21, and 23). I will ask you to read these.

### Your Progress

We'll also review your overall progress and discuss any questions you have about class content, homework, and related issues.

I look forward to meeting with you!
