

## Preparing for Office Visit #5

This is the last scheduled visit to my office this semester. During this 20-minute visit, you can expect the following:

### Quiz Review

We will briefly go over Quiz 5 to check your understanding as needed.

### Reading from the Orange Sheets

At the start of the semester, you read a passage, some dialogs and a word list from the Orange Sheets. Now, at the end of the semester, you will read from these sheets again to show me how much progress you have made.

### **To prepare:**

1. The Orange Sheets focus on your **Areas for Special Work**. So look over your Areas for Special Work as a reminder of the areas you are responsible for.
2. The personal production topics on your Areas sheet are connected to the Area Target (AT) materials attached to your Areas sheet. Practice with those sheets (and with the audio) because the Orange Sheets will check your progress on these areas.
3. If you still feel uncertain about any AT production topic or any prediction topic on your Areas for Special Work, please drop by my office for personal tutoring before your appointment.

Please come to your scheduled appointment 10 minutes (or more) early, so you can read over the Orange Sheets before you see me.

Before the end of the semester, I will also check your progress with your GAT/SAT lists and with your Focus Text. But we will not have time during this appointment to review these topics. Again, if you would like to do extra work on your GAT/SAT lists or on your Focus Text, please set up a separate time to see me.

I look forward to meeting with you!
