ECON 484: Permission to post exam scores and course grade via Excel

Dr. Lon Carlson has my permission to post my grades in ECON 484, Section 1, Spring, 2016, using my self-selected five-digit personal identification number (PIN) in a spreadsheet via email.

Restrictions:

- PIN must include five (5) digits.
- PIN cannot begin with 0.
- PIN cannot be something simple like 12345.

Name (print, last name first): __________________________________________

Signature: ___________________________________________________________

PIN: _________________________________

Date: _________________________________

Note: Participation is completely voluntary. If you do not want your grades distributed in this manner, do not submit a completed permission form. Understand, however, that I cannot send your exam grades to you via email without a completed form and PIN.
